Saving lives...one song at a time!

Musical benefits for the dogs and cats of Animal Care Services

The concerts in the park are back! Animal Care Services is excited to join forces with at&t to bring San Antonio a summer's worth of music and family fun-all to benefit the dogs and cats of ACS. Each of the summer concerts will take place at the Sunken Gardens Theater and there's an exciting lineup of talent planned for each show! The first show with ROSE ROYCE (June 2) was a great success and we need to build on that success with even bigger crowds at the next three concerts. The next performance in the at&t Summer Concert Series is **July 21st**. Imagine all the talent behind rock icons like "Grand Funk Railroad", "Iron Butterfly", "Sugarloaf" and "Rare Earth" coming together on one stage. The CLASSIC ROCK ALL STARS will be performing all their hits like "Ride Captain Ride", "Green Eyed Lady", "Land of a Thousand Dances" and of course, "We're an American Band." BLUE OYSTER CULT rocks the Sunken Gardens **August 25th** with their rock classics "Burning for you", "Godzilla," and "Don't Fear the Reaper." The 2007 at&t Summer Concert Series will wrap up **September 29** with a S.A. favorite-the multi-cultural super group WAR, best known for their numerous hits including "Cisco Kid", "Why Can't We Be Friends" as well as crowd favorite "Lowrider." Tickets to each of the summer concerts are only five dollars and are available at the gate. A one dollar surcharge will be added to the ticket price and will go towards

renovations of the Sunken Gardens Theater. Come early and bring the whole family for a day of music, food, and more than a few surprises! It's all for a great cause and there'll be contests, vendors and of course, wonderful adoptable animals from the shelter looking for good homes. All of this music will help to raise awareness and money for Animal Care Services as it begins a five year program to transition it's facility into a no-kill shelter.
